THURSDAY, JANUARY 9, 1879.

FALSE prophets, who from every stump in the land proclaimed the distribution. We have a right to de-impossibility of specie resumption, must feel shabby now, that is if they have any self respect. They us again." insisted that it was an absurdity, and that there wasn't gold enough in the world to resume. But the first of January, 1879, came and lines, one of the reasons no doubt has passed by. Resumption has taken place and without the slightest interruption of business-not frequently. It would be a great 5 even a jar. On the contrary the iceling of security in business circles has improved. As one business man has expressed it. "I feel good sir, we have reached bottom at last. No more shrinkage. We all know where we stand sir. I feel good sir." And then it has been so easy, as to demonstrate the correctness of Horace Greeley's theory upon resumption: "The way to resume is to resume." There has been no week. rush for gold anywhere. The people are satisfied with the greenbacks field is the best man for the Republinow, when they know they are equal in value with gold. The Cashier of the First National Bank in Nash- of a copy of Bhoks one and two six- ina, at an same price?" tabsalged Weekly Which and Chronicle. ville writes to the Tressurer at Washington: "It may be a matter of interest to know that we have taken in more coin than we have paid out. Thus, I believe, it has been all over the State." And it appears to have been so in all the States. Resumption is now a fixed fact, and the Democratic politicians who did all they could against it dare not disturb the order of things.

OUR INADEQUATE MAIL SER VICE

We have more than once called attention to the inadequate mail serwere encouraged a year or two ago, cratic ticket will be Thurman and to believe that an improvement would be made. It will be remembered that a Postal Commission with Gardner G. Hubbard as chairman, visited various portions of the South, Knoxville among the places, cussing the principles, achievements and we had hoped that something and interests of the Republican that commission, but our hopes were quences of the act. Of this class not realized. A late number of the

our immediate interests by the suspen- nearly four columns of its space, in ston of a double daily mail service over | which it deals with the subject fear- number. the ratiroads which centre here, is the lessly and truthfully. We regret injustice done to the railroads, press and people between Washington and | that we have not space for this out-New Orienns and Memphis. "There are nearly four millions of

people who, with three thousand postoffices, can be better served with mail ing as a specimen brick from the matter by the railroads composing well-burned kiln. what is known as 'The Great Southern Mail Route,' than by any other line; indeed, the larger portion of these people and offices can not be otherwise supplied. The importance of this fact, and the great superiority of this route over any other for the speedy and sale conveyance of the Southern mails, caused the Postoffice Department in 1871, to suggest to the several | The latter began life as a brakeman companies composing it to provide on a railroad, and by industry and themselves with postal cars for a double daily mail service. These cars were built in accordance with and high political honors. Senator plans furnished by that Department, at the cost of the companies, and in anticipation of a large increase in the quantity of mail to be carried, as well as a desire to perform the service as rapidity and safely as it could possibly be done, hundreds of thousands dollars were expended in the speech quite as naturally as Senator rist to put their respective roadways in first-class order; so that the route to-day is not excelled, if indeed cqualled, by any in the South. With but slight interruptions this double daily service has been performed, until quite recently, for about six years, the color of all concerned as sofa in the older and the color of the concerned as sofa in the older and the color of the color of the concerned as sofa in the older of the color of the til quite recently, for about six years, to the satisfaction of all concerned, except perhaps the railroad companies. At first the compensation, though not remunerative, was not absolutely inadequate, but the component of the public patronage.

The Southern Senator referred to was quietly sleeping on a sofa in the cleak-room. Mr.

Thurman was speaking. He blew his nose with such vigor that the respectfully folicits a share of the public patronage.

Theroughness in all operations upon the Teeth will receive special consideration, with the view to their more permanent preservation, and by utilizing the most approved methods in practice, in conjunction with the best appliances, he hopes to be able to make operations as painless as the circumstances in each case will permit.

ried over most circuitous routes through Pennsylvania and Ohio and Indiana on their way to the South, and then the compensation was reduced from time to time, till it was thirty per cent. less when the double daily service was discontinued then in

1872, when the postal cars were put on. Last year, we are informed, Atlantic, Mississippi and Ohio Company received for the use and marnie and transportation of two postsi cars and half of two baggage cars per day, between Lynchburg and Bristol, 204 miles, less than twenty-five dollars per car-a sum simply ridiculous compared to the service performed, and less than its tariff rates on pig iron loaded on flat cars and hauled by

In these hard and dull times the railroad companie : can not be expected to run their trains at a positive loss; and, as a consequence, the pres, merchants and business men generally who are supplied with mail facilities by this route are deprived of every particle of the advantage OEUR do Lion commanders, 20.9.—

KNOXVILLE CHRONICLE FOR 1879. FALL

Subscrib for a Good, Reliable News-

will be kept up during the year chants at New York prices. 1879 to their usual high standard. By enterprise, accurateness, and close attention to the wants of our readers, we hope to merit a continuation of the liberal patronage heretofore extended these journals. Drices.

Nearly nine years ago, when prices there was not a Republican daily in the State, and only two or three in the South, we commenced the publication of the CHRONICLE. In all these years we have battled for Republican principles, and see no reason to change our course now. Hence we shall continue to publish

journal, not the organ of any man or clique, but the outspoken and fearless advocate of principles, partment measures and men, best calculated to promote the welfare of the country and the Republican party.

We will endeavor to make our agricultural columns worth more to to them by Merchants. farmers than our subscription price.

As a newspaper our publications shall not be excelled in the State. In addition to our telegraphic dispatches from all parts of the world, our readers shall have the benefit of correspondence and every other means through which reliable information is obtained,

S. T. ATKIN

Each number of the paper will contain selections made with special reference to the home circle. We will contoginu e avoid everything calculated to contaminate, and will publish a paper that may be taken without question within the sacred precints of the family circle.

Our market reports shall have close attention, and be made entirely correct and reliable.

We call upon all persons interdependent, fearless, reliable Republican journal to come to our aid and assist in extending the circulation of the DAILY CHRONICLE and

In view of the financial pressure upon the country and the general times. In the future we will send our weekly paper to subscribers on
